Tymor y Gwanwyn (Hanner Tymor 2) 2026 | Spring Term (Half Term 2) 2026

Neges Gan y Pennaeth | Message From the Headteacher

Wrth i ni gychwyn ar dymor haf cynnes a chynhyrchiol (gobeithio), hoffwn fanteisio ar y cyfle hwn i ddiolch i chi am eich holl gefnogaeth hyd yn hyn eleni. Rydym yn parhau i fynd o nerth i nerth ac mae hynny'n ganlyniad i waith caled ein staff ymroddedig, disgyblion rhagorol, rhieni cefnogol, corff llywodraethol gwych, a'n Cymdeithas Rhieni ac Athrawon anhygoel.

Mae tymor yr haf yn llawn cyfleoedd i chi fel rhieni ymgysylltu â bywyd ysgol ym Mro Sannan, a bod yn rhan ohono. Rydym yn gwerthfawrogi'r ymdrech rydych chi bob amser yn ei rhoi i fynychu digwyddiadau ysgol a chefnogi eich plant, ac rydym yn gwybod bod y gefnogaeth hon yn amhrisiadwy i'ch plentyn. Diolch!

As we get into full swing for a (hopefully) warm and productive summer term, I would like to take this opportunity to thank you for all of your support so far this year. We continue to go from strength to strength and that is a result of the hard work of our dedicated staff, excellent pupils, supportive parents, superb governing body, and incredible PTA.

The summer term is packed full of opportunities for you as parents to engage with, and be part of, school life at Bro Sannan. We really value the effort you always put into attending school events and supporting your children, and we know that this support is invaluable to your child. Diolch!

Dosbarth Derwen

Y tymor hwn, rydym wedi bod yn datblygu ein sgiliau gwaith coed cynnar trwy weithgareddau ymarferol. Rydym wedi bod yn dysgu am y gwahaniaethau rhwng sgriwiau a hoelion ac yn trafod pryd y gellid defnyddio pob un. Rydym hefyd wedi archwilio'r offer sydd eu hangen ar gyfer gwaith coed a sut i'w defnyddio'n ddiogel. Yn ein hardal awyr agored, mae'r plant wedi cael y rhyddid i ymarfer y sgiliau newydd hyn, gan feithrin hyder, annibyniaeth a chreadigrwydd.

This term, we have been developing our early woodworking skills through hands-on activities. We have been learning about the differences between screws and nails and discussing when each one might be used. We have also explored the tools needed for woodworking and how to use them safely. In our outdoor area, the children have been given the freedom to practise these new skills, building confidence, independence, and creativity.

"The teacher and teaching assistant move learning along at a good pace..."

"The staff provide pupils with opportunities to influence how and what they learn..."

"...the teacher uses questioning and feedback successfully to support pupils' progress beneficially..."

Dosbarth Bedwen

Y tymor hwn, mae ein dosbarth wedi bod yn archwilio thema gyffrous "Y Dyfodol." Mae'r plant wedi mwynhau meddwl am yr hyn yr hoffent fod pan fyddant yn tyfu i fyny, ble y byddent yn hoffi byw, a'r gwahanol leoedd yr hoffent deithio iddynt o gwmpas y byd. Rydym hefyd wedi trafod hobiau y gallent eu hoffi eu dilyn yn y dyfodol, gan eu hannog i feddwl am eu diddordebau a'u dyheadau.

This term, our class has been exploring the exciting theme of "The Future." The children have enjoyed thinking about what they would like to be when they grow up, where they might like to live, and the different places they would love to travel to around the world. We have also discussed hobbies they may like to take up in the future, encouraging them to think about their interests and aspirations.

"Staff demonstrate suitable expectations of most pupils and challenge pupils appropriately with task led activities."

"...the teacher and support staff use questioning and feedback successfully when working with individual pupils and groups."

"Nearly all pupils foster positive working relationships with adults and their peers, and this is a successful aspect of the session."

Dosbarth Celynnen

Yn ystod y tymor hwn, rydym wedi bod yn dysgu am bopeth sy'n ymwneud â'r gofod! Edrychom ar y system solar a'r planedau sy'n ffurfio ein system solar, dysgon ni am y glaniad cyntaf ar y lleuad, cynhyrchon ni ddarn o waith hyfryd o ddelweddau a gwybodaeth dros ddwy dudalen, gwnaethom symudion planedau i ddangos ein gwybodaeth, ac ysgrifennom erthygl papur newydd.

During this term, we have been learning about all things space! We looked at the solar system and the planets that form our solar system, we learnt about the first moon landing, we produced a lovely two-page spread of images and information, we made planet mobiles to show off our knowledge, and we wrote a newspaper article.

"Senior leaders at the school provide purposeful and effective direction..."

"...leaders demonstrate an unwavering focus on raising standards and promoting pupil wellbeing..."

"...consistent standards expected for both learning and presentation..."

Dosbarth Ffawwydden

Cafodd Blwyddyn 5 a 6 amser anhygoel yn Legoland yr hanner tymor hwn. Roedd y trip ardderchog hwn wedi ysbrydoli ein dysgwyr mewn cyd-destun bywyd go iawn wrth iddyn nhw ddysgu am rym ac ynni. Diolch anferthol i'r Gwasanaeth Ieuencid Caerffili am wneud y trip bythgofiadwy hwn yn bosib!

Year 5 and 6 had an amazing time in Legoland this half term. This fantastic trip really brought learning to life for our class and helped us learn about forces and motion in a real and meaningful way. A huge thank you to the Caerphilly Youth Service for all your support, and for making this memorable trip possible!

Carly (Caerphilly Youth Service):

Your young people were a real credit to you as both their teacher and as a school. Their confidence, trust, and humour made the whole day even more special. Please pass on our thanks to your class for being so welcoming and making us feel part of the group from day one.

"Pupils are being held to account more robustly for the quality and quantity of their work..."

"Books show that pupils are increasingly encouraged to extend their thinking, with tasks and feedback prompting better and deeper reasoning and explanations."

"...promoting more ambitious expectations and strengthening pupils' exposure to richer vocabulary..."
