Tymor y Gwanwyn (Hanner Tymor 1) 2026 | Spring Term (Half Term 1) 2026

Neges Gan y Pennaeth | Message From the Headteacher

Mae wedi bod yn ddechrau cadarnhaol iawn i'r flwyddyn i Ysgol Bro Sannan. Yn ystod mis Ionawr, cawsom ymweliad gan ein Partner Ysgol, Mr Nick Jones, i fonitro safonau ar draws yr ysgol. Mae'n bleser gennyf rannu gyda chi fod yr ymweliad wedi mynd yn dda iawn gyda llawer o nodweddion rhagorol yn cael eu hamlygu ar draws yr ysgol. Hoffwn ddiolch i'r staff am eu gwaith caled a'u hymroddiad.

Rwyf wedi penderfynu tynnu sylw at sylwadau Mr Jones ar bob tudalen dosbarth. Rwyf wrth fy modd â'r cynnydd y mae'r ysgol yn parhau i'w wneud.

It has been a very positive start to the year for Ysgol Bro Sannan. During January, we had a visit from our School Partner, Mr Nick Jones, to monitor standards across the school. I am pleased to share with you that the visit went very well with many excellent features being highlighted across the school. I would like to thank the staff for their hard work and dedication.

I have decided to highlight Mr Jones's comments on every class page. I love the progress the school continues to make.

Dosbarth Derwen

Y tymor hwn rydym wedi bod yn dilyn diddordebau'r plant ac wedi bod wrth ein bodd yn dysgu popeth am adar. Fe wnaethon ni gymryd rhan yn y Big Birdwatch RSPB, gan arsylwi a chyfrif yn ofalus yr adar gwahanol y gallem eu gweld. Mae'r plant wedi bod yn brysur yn gwneud adar allan o glai, yn creu eu porthwyr adar eu hunain, ac yn paratoi ein man awyr agored i ddenu rhai ymwelwyr pluog hardd. Fe wnaethon ni hefyd fwynhau ymweliad arbennig gan y warchodfa adar, lle dysgom lawer o ffeithiau diddorol am adar nosol a sut maen nhw'n byw.

This term we have been following the children's interests and have loved learning all about birds. We took part in the RSPB Big Birdwatch, carefully observing and counting the different birds we could spot. The children have been busy making birds out of clay, creating their own bird feeders, and preparing our outdoor area to attract some beautiful feathered visitors. We also really enjoyed a special visit from the bird sanctuary, during which we learnt lots of fascinating facts about nocturnal birds and how they live.

"Teaching moves learning along at a strong pace of learning and presents most pupils with a high level of challenge and support."

"Teachers respond to pupils' learning during lessons and over time (as noted in the assessment files) and they adapt accordingly to pupils' needs effectively."

"The teaching is effective and it develops pupils' skills systematically and progressively during the skill-led learning activities."

Dosbarth Bedwen

Dros yr wythnosau diwethaf, mae ein dosbarth wedi bod yn archwilio thema disgyrchiant gyffrous trwy ddysgu a chwarae ymarferol. Arbrofwyd gyda suddo ac arnofio, ymarferwyd gwthio a thynnu, ac archwiliwyd symudiad a throelli gan ddefnyddio amrywiaeth o ddefnyddiau a gweithgareddau. Dysgodd y plant hefyd am ffrithiant trwy brofi sut mae gwrthrychau'n symud ar wahanol arwynebau, ac ymarferwyd mesur wrth i ni gymharu pellteroedd, uchderau, a pha mor bell y teithiodd gwrthrychau.

Over the past few weeks, our class has been exploring an exciting gravity theme through hands-on learning and play. We experimented with sink and float, practiced push and pull, and explored movement and spinning using a variety of materials and activities. The children also learned about friction by testing how objects move on different surfaces, and practiced measuring as we compared distances, heights, and how far objects traveled.

"The teaching supports pupils purposefully to develop positive attitudes towards learning."

"The learning environment indoors is stimulating and engaging, and teachers identify the next steps in pupils' learning effectively using next steps groups noted on a display board."

"These strong practices, by the teacher, help nearly all pupils to understand their own strengths and areas for improvement..."

Dosbarth Celynnen

Yn ystod yr hanner tymor hwn, mae Dosbarth Celynnen wedi cael amser anhygoel yn dysgu am awyrenneg. Rydym wedi dysgu popeth am Amelia Earhart - yr awyrennwyr Americanaidd - ac wedi edrych ar y datblygiadau peirianeg yn y maes hwn. Rydym wedi dod yn wyddonwyr o fri, gan gwblhau ymchwiliadau a chasglu data am wahanol rymoedd. Rydym hefyd wedi ymgymryd â'r her o greu ein barcutiaid ein hunain a dysgu am wyddoniaeth hedfan.

During this half term, Dosbarth Celynnen have had an amazing time learning about aviation. We have learned all about Amelia Earhart - the American aviator - and have looked at the engineering advancements in this field. We have become super scientists, completing investigations and collecting data about different forces. We have also taken on the challenge of creating our own kites and learning about the science of flying.

"The efforts in scaffolding tasks demonstrate genuine care for pupils' success..."

"There are strong routines and positive relationships in the classroom, which create a safe space for pupils to express their ideas and attempt new challenges."

"The efforts in scaffolding tasks demonstrate genuine care for pupils' success..."

Dosbarth Ffawwydden

Y tymor hwn rydym wedi bod yn edrych ar trenau gwyllt a'r grymoedd sydd ar waith. Rydym hefyd wedi ysgrifennu cerdd siâp am drenau gwyllt ac wedi ysgrifennu bywgraffiad am J.R.R. Tolkien, ac mae pawb yn mwynhau gwrando ar Mrs Hamblin yn darllen yr Hobbit. Ar ôl hanner tymor byddwn yn parhau â'n gwaith gyda Gwasanaeth Ieuenctid Caerffili, a fydd yn cyrraedd uchafbwynt gyda thaith gyffrous i Legoland!

This term we have been looking at roller coasters and the forces that are at work. We have also written a shape poem about roller coasters and written a biography about J.R.R. Tolkien, and everyone is enjoying listening to Mrs Hamblin reading the Hobbit. After half term we will continue with our work with the Caerphilly Youth Service, which will culminate in an exciting trip to Legoland!

"Through effective questioning and feedback, the teacher successfully supports pupils' progress..."

"The teacher is responsive and adapts intuitively to pupils' needs during lessons, ensuring that support and challenge are well matched throughout..."

"Most pupils persevere when challenged, seek solutions, and develop positive relationships with adults and peers."
