Neges Gan y Pennaeth / Message From the Headteacher

Mae wedi bod yn ddechrau cadarnhaol iawn i'r flwyddyn i Ysgol Bro Sannan. Mae ein disgyblion wedi cystadlu mewn amrywiaeth eang o wahanol ddigwyddiadau chwaraeon ac wedi perfformio'n rhagorol. Hoffwn roi clod arbennig iawn i'n tîm pel-rwyd, sydd wedi llwyddo cyrraedd y rownd nesaf o dwrnaint Chwaraeon Caerffili.

Rydym wedi cael diwrnod gwych yn dathlu Dydd Gŵyl Dewi yn yr ysgol. Roedd yn bleser pur cerdded o gwmpas yr ysgol a gweld ein plant yn cael eu trochi yn nhreftadaeth a diwylliant Cymru. Llongyfarchiadau arbennig i'n dosbarth Meithrin, Derwen, am ganu'n hyfryd yn ystod ein gwasanaeth dathlu.

Hoffwn achub ar y cyfle hwn i ddymuno'r gorau unwaith eto i Miss Silcox wrth iddi gychwyn ar heriau newydd yn ystod ei chyfnod ar secondiad. Pob lwc i ti, Miss Silcox.

Rwy'n mawr obeithio y byddwch yn mwynhau rhifyn cyntaf ein cylchlythyr newydd.

It has been a very positive start to the year for Ysgol Bro Sannan. Our pupils have competed in a wide variety of different sporting events and have performed admirably. A very special mention to our netball team, who have qualified for the final rounds of the Sports Caerphilly competition.

We've had a great day celebrating St David's Day at school. It was an absolute pleasure walking around the school and observing our children being immersed in Welsh heritage and culture. A special mention to our Nursery class, Dosbarth Derwen, for singing beautifully during our celebration assembly.

I would like to take this opportunity to once again wish Miss Silcox all the best as she embarks on new challenges during her period of secondment. Pob lwc i ti, Miss Silcox.

I genuinely hope you enjoy the first edition of our new half termly newsletter.

Siarter Iaith

Rydym wedi bod yn brysur iawn dros y misoedd diwethaf yn gosod targedau newydd i'n hysgol, yn anfon geirfa Gymraeg adref ac yn hybu'r Gymraeg. Rydym wedi bod yn brysur yn trefnu digwyddiadau fel diwrnod coch, gwyn a gwyrdd, diwrnod 'Shwmae' a Dydd Miwsig Cymru. Rydym wedi bod yn dosbarthu llawer o docynnau am siarad Cymraeg ac wedi mwynhau ennill amser chwarae ychwanegol i'r dosbarth sy'n casglu'r mwyaf. Y tymor diwethaf derbyniodd enillydd lwcus daleb Greggs a ddewiswyd gan y Siartwyr, a'r hanner tymor hwn bydd tocyn JD ar gael i ddisgybl lwcus. Rydym hefyd wedi bod allan yn y gymuned yn cymryd rhan mewn chwaraeon a chanu yn ein hardal leol. Rydym hyd yn oed wedi cael ymweliad hyfryd gan Mistar Urdd ei hun. Hoffem ddiolch i chi gyd am eich cefnogaeth barhaus ac edrychwn ymlaen at weld llawer o luniau ohonoch yn mwynhau'r Gymraeg gartref ac yn y gymuned.

We have been very busy over the past few months setting new targets for our school, sending home Welsh vocabulary and promoting the Welsh language. We have been busy organising events such as red, white and green day, 'Shwmae' day, and Welsh Music Day. We have been giving out lots of tokens for speaking Welsh and have enjoyed winning extra play time for the class who collects the most. Last term a lucky winner won a Greggs voucher chosen by the Welsh Charter pupils and this half term there will be a JD voucher up for grabs for one lucky pupil.

We have also been out in the community participating in sports and singing in our local area. We have even had a lovely visit from Mistar Urdd himself. We would like to thank you all for your continuous support and we look forward to seeing lots of pictures of you enjoying the Welsh language at home and in the community.

Dosbarth Derwen Meithrin / Nursery

Mae'r tymor yma wedi bod yn brysur wrth i ni groesawu ein holl ffrindiau newydd. Mae ein plant Codi'n Dair wedi setlo'n dda. Maent wedi meithrin perthnasoedd cryf gyda'r staff a'r plant. Yn ogystal, mae'n bleser gennyf adrodd bod ein rhai bach yn dangos hyder yn eu harferion newydd. Boed yn cymryd rhan mewn gweithgareddau grŵp, amser byrbryd, neu chwarae rhydd, maent yn dangos ymdeimlad rhyfeddol o gysur a chynffindra. Mae llawer yn cymryd yr awenau i fynegi eu hanghenion a'u hoffterau, yn ogystal â gwneud dewisiadau yn eu gweithgareddau chwarae a dysgu.

Mae ein dysgwyr uchelgeisiol a galluog wedi bod yn gweithio'n galed yn y cyfnod cyn 'Diwrnod Cenedlaethol Teisen Siocled'. Maen nhw wedi bod yn fwrw o syniadau a chynlluniau i greu cacen flasu sy'n dathlu'r achlysur hwn. Dechreuodd y plant drwy drafod penblwyddi a beth mae hynny'n ei olygu iddyn nhw. Aethom ymlaen wedyn i flasu amrywiaeth o gacennau gwahanol a phenderfynwyd gyda'n gilydd ein bod yn mynd i bobi cacen heb gynnyrch llaeth. Fe ddechreuon ni ddysgu pwysu cynhwysion yn gywir a dilyn rysâit. Roedd eu brwdfrydedd yn amlwg wrth iddynt fesur blawd, siwgr a phowdr coco.

Fe wnaeth ein cyfranwyr mentrus, creadigol ymateb i'r her o gael cyllideb ar gyfer eu prosiect. Gyda rhestr siopa mewn llaw, fe wnaethon nhw eu ffordd i siop leol i brynu'r cynhwysion angenrheidiol. Roedd eu gwyllo'n siopa a gwirio eitemau ar eu rhestrau yn olygfa wych! Roeddent yn dangos sgiliau datrys problemau anhygoel, a hyd yn oed wedi llwyddo i aros o fewn eu cyllideb wrth dalu am y cynhwysion! Fe wnaeth ein hunigolion iach, hyderus nodi alergeddau bwyd yn ystod eu proses pobi. Roeddent hefyd yn pwysleisio pwysigrwydd golchi dwylo ac yn modelu'r ffordd orau o wneud hyn. Gyda'n gilydd, gwnaethom gacen fegan flasu gan sicrhau bod yr holl anghenion dietegol yn cael eu hystyried.

Yn wir, mae wedi bod yn dymor o ddysgu dilyn sy'n cyfuno sgiliau ymarferol gyda hwyl, gwaith tîm, a chreadigrwydd. Rydym yn hynod falch o'r hyn mae ein dysgwyr wedi'i gyflawni, ac roedd yn bleser rhannu'r cacennau gyda chi i gyd ar Ddiwrnod Cenedlaethol Teisen Siocled! Edrychwn ymlaen at fwy o anturiaethau yn Teulu Derwen lle mae ein plant yn siapia ein dysgu!

This term has been busy as we welcomed all our new friends. Our rising three children have settled well. They have built strong relationships with both staff and children. Additionally, I'm delighted to report that our little ones are demonstrating confidence in their new routines. Whether it's participating in group activities, snack time, or free play, they are showing a remarkable sense of comfort and familiarity. Many are taking the initiative to express their needs and preferences, as well as making choices in their play and learning activities.

Our ambitious and capable learners have been working hard in the lead-up to 'National Chocolate Cake Day'. They've been buzzing with ideas and plans to create a scrumptious cake that celebrates this occasion.

The children began by discussing birthdays and what that means to them. We then went on to taste a variety of different cakes and decided together we were going to bake a dairy free cake. They began by discussing what it was we would need to bake the cake. Their enthusiasm was palpable as they measured out flour, sugar, and cocoa powder. The children used all of their skills from our previous cooking sessions to be able to crate this cake independently, pouring, stirring and measuring.

They demonstrated incredible problem-solving skills, and even managed to stay within their budget while paying for the ingredients! Our Healthy, confident individuals took note of food allergies during their baking process. They also stressed the importance of hand washing and modelled the best way to do this. Together, we made a delicious vegan cake ensuring that all dietary needs were considered.

Overall, it has been a term of authentic learning that combines practical skills with fun, teamwork, and creativity. We are immensely proud of what our learners have achieved, and it was a delight to share the cakes with you all on National Chocolate Cake Day! Here's to more adventures in Teulu Derwen where our children shape our learning!

This term our ambitious and capable learners have been working hard in the lead-up to 'National Chocolate Cake Day'. They've been buzzing with ideas and plans to create a scrumptious cake that celebrates this occasion. The children began planning, writing shopping lists and counting money to buy ingredients. They began learning to weigh ingredients accurately and follow a recipe to a tee. Their enthusiasm was palpable as they measured out flour, sugar, and cocoa powder, each step sending waves of excitement around the classroom.

Our enterprising, creative contributors stepped up to the challenge of acquiring a budget for their project. With a shopping list in hand, they made their way to a local shop to purchase the necessary ingredients. Watching them navigate the aisles, checking off items on their lists, was a wonderful sight! They demonstrated incredible problem-solving skills, and even managed to stay within their budget while paying for the ingredients!

Dosbarth Helygen Blwyddyn 2/3 / Year 2/3

Waw, am ffordd i gychwyn yr hyn a fydd yn 2025 anhygoel! Y tymor hwn roedd ein gwaith wedi'i seilio ar berthnasoedd. Mae ein dysgwyr anhygoel wedi cydweithio i gasglu mynydd o syniadau ar y pwnc hwn. Rhan annatod o adeiladu a chynnal perthnasau iach yw diogelwch, a buom yn ddigon ffodus i gael ymweliad gan PC Lewis, ein swyddog cyswllt ysgolion, a fu'n helpu plant Helygen i ddsygu a deall sut i gadw'n ddiogel yn eu hamgylchedd. Roedd hwn yn gyfle anhygoel a gwnaethom ofyn llawer o gwestiynau a chael gwybodaeth werthfawr. Rydym hefyd wedi bod yn edrych ar ein perthnasoedd ein hunain, a sut yr ydym yn perthyn i lawer o wahanol grwpiau a chymdeithas yn gyffredinol. Mae dilyniannu ac algorithmau yn rhywbeth arall yr ydym wedi gweithio arno y tymor hwn. Yn ystod ein sesiynau meddwl digidol, mae'r dysgwyr wedi gallu cymhwyso eu dealltwriaeth o algorithmau i gyd-destun y byd go iawn trwy ysgrifennu ryseitiai a gwneud cyfarwyddiadau adeiladu Lego. Mae'r dysgwyr wedi cael cyfleoedd i wneud eu pîtsas eu hunain ac wedi bod yn brysur yn trefnu cyfarwyddiadau, ysgrifennu rhestrau, a defnyddio berbau yn wych.

Wow, what a way to kick off what is set to be an amazing 2025! This term our topic has been based on relationships. Our amazing learners have worked together to gather a mountain of ideas on this topic. An integral part of building and maintaining healthy relationships is safety and we were lucky enough to be visited by PC Lewis, our school liaison officer, who helped the children of Helygen learn and understand how to stay safe in their environment. This was an amazing opportunity and we asked lots of questions and gained valuable information. We have also been looking at our own relationships, and how we belong to many different groups and society as a whole. Sequencing and algorithms is something else we have worked on this term. During our unplugged digital thinking sessions, the learners have been able to apply their understanding of algorithms to real world context by writing recipes and making Lego building instructions. The learners have had opportunities to make their own pizzas and have been busy organising instructions, writing lists, and getting bossy with verbs.

Dosbarth Celynnen Blwyddyn 4/5 / Year 4/5

Ffocws y tymor hwn oedd llythrennedd digidol. Dysgodd y disgyblion sut i wneud cwis mathemateg ar 'Scratch', ac yna creu cyfarwyddiadau i ddisgyblion blwyddyn 3 eu dilyn. Gofynnwyd i Flwyddyn 5 greu logo newydd ar gyfer Banc Bwyd Cwm Rhymni; defnyddiodd y disgyblion Adobe Express ar Hwb i greu eu logos trawiadol.

Yn ystod wythnos diogelwch rhyngwryd, dysgon ni am adnabod sgamiau ar-lein, gwe-rwydo, a sut i ddefnyddio gwefannau yn ddiogel. Roedd gwybodaeth y plant am y pynciau hyn yn ardderchog ac roedden nhw'n dysgu llawer i'w gilydd!

Mae disgyblion wedi mireinio eu sgiliau lluos i a rhannu ac wedi defnyddio eu medrau rhifedd i werthuso data yn ymwneud â chrefyddau'r byd. Cyflwynwyd y plant hefyd i wefan mathemateg Prodigy sy'n datblygu eu sgiliau rhifedd trwy lwyfan gemau. Maen nhw wedi dod yn gystadleuol iawn gyda hyn!

Mae Blwyddyn 4 wedi gwneud cynnydd gwyb yn eu gwersi nofio yng Nghanolfan Hamdden Cefn Fforest. Roedd y cynnydd a wnaed dros y cyfnod o 3 wythnos yn wych a chafodd hyn ei gydnabod hefyd gan yr hyfforddwyr nofio! Braff oedd clywed ar sawl achlysur pa mor barchus oedd y plant yn ystod y gwersi. A gaf i achub ar y cyfle hwn i ddiolch i chi gyd am eich cefnogaeth barhaus dros yr wythnosau diwethaf! Cofiwch fwynhau eich hanner tymor ac edrychaf ymlaen at eich croesawu yn ôl ar 03/03/25.

This term's focus was digital literacy. Pupils learnt how to make a maths quiz on 'Scratch', and then created instructions for year 3 pupils to follow. Year 5 were approached to create a new logo for the Rhymney Valley Foodbank; the pupils used Adobe Express on Hwb to create their impressive logos.

During internet safety week, we learnt about recognising scams online, phishing, and how to safely use websites. The children's knowledge on these topics was excellent and they taught each other a lot!

Pupils have honed their multiplication and division skills and have used their numeracy skills to evaluate data relating to world religions. The children were also introduced to Prodigy maths website which develops their numeracy skills via a games platform. They've become very competitive with this!

Year 4 have made fantastic progress in their swimming lessons at Cefn Fforest Leisure Centre. The progress that was made over the 3 week period was fantastic and this was also recognised by the swimming coaches! It was a pleasure to hear on several occasions how well-behaved and respectful the children were during the lessons.

Can I take this opportunity to thank you all for your continued support over the past weeks! Please enjoy your half term and I look forward to welcoming you back on 03/03/25.

Dosbarth Ffawyddden Blwyddyn 5/6 / Year 5/6

Ffocws y tymor hwn oedd llythrennedd digidol. Mae disgyblion wedi dysgu sut i wneud gêm ddrysfa ar 'Scratch' a hefyd wedi creu logo newydd ar gyfer Banc Bwyd Cwm Rhymni. Dwi'n methu aros i weld pwy sydd wedi ennill y gystadleuaeth ar 13/03/25, pan fyddwn ni'n mynd i'r banc bwyd am 3:30yp lle bydd yr enillydd yn cael ei gyhoeddi! Rydym hefyd yn gorffen ein hanner tymor trwy greu podlediad dosbarth o'r enw 'Pwy sydd tu ôl i'r clic?', lle mae disgyblion wedi bod yn trafod effaith cyfryngau cymdeithasol a gwahanol apiau a dyfeisiau. Mae'r dasg llais y disgybl a chynllunio yn y foment yn cyplysu gyda Diwrnod Diogelwch Rhynggrwyd a materion mae ein disgyblion wedi wynebu ar-lein. Bydd ar gael i rieni wrando arno ac edrychaf ymlaen at eich gweld yn eistedd gyda'ch plentyn ac yn gwrando ar ei gynnwys ar ôl hanner tymor. Pwy a wyr, efallai ein bod ni wedi dod o hyd i seren podlediad y dyfodol!

Mae ein dinasyddion moesegol hefyd wedi dadlau ac ysgrifennu eu barn ar dderbyn ffoaduriaid i Brydain, lle rhoddwyd sylw i lawer o gamsyniadau. Ymgysylltodd disgyblion yn dda a dysgon nhw bwysigrwyd nodi 'newyddion ffug' a dilyn y ffeithiau. Yr hanner tymor hwn, mae disgyblion wedi mireinio eu medrau lluos a rhannu ac wedi defnyddio eu medrau rhifeddi i arfarnu data yn ymwneud â chrefyddau'r byd. Mae ein cyfranwyr mentrus, creadigol wedi mwynhau ein sesiynau iwcailili wythnosol gyda Mr Wells. Mae wedi bod yn wirioneddol wych gweld eu cordiau'n gwella eleni ac maent wedi chwarae eu hoff ganeuon 'Riptide' ac 'Yma o Hyd'.

Mae hi wedi bod yn hanner tymor prysur yn dathlu Dydd Miwsig Cymru, pan wnaethom ddadansoddi'r data ar frigwyr siartiau Cymraeg; Diwrnod Hijab y Byd, pan ddysgodd disgyblion ystyr gwisgo Hijab; Wythnos Iechyd Meddwl Plant, pan wnaeth disgyblion eu cynllun iechyd meddwl cadarnhaol eu hunain; ac Wythnos Diogelwch Rhynggrwyd, pan ddysgon ni sut i adnabod sgamwyr. Fel bob amser, diolch am eich cefnogaeth!

This term's focus was digital literacy. Pupils have learnt how to make a maze game on 'Scratch' and have also created a new logo for the Rhymney Valley Foodbank. I can't wait to see who has won the competition on 13/03/25, when we'll go to the foodbank at 3:30pm where the winner will be announced! We are also finishing our half term by creating a class podcast titled 'Who's behind the click?', where pupils have been discussing the impact of social media and different apps and devices. This pupil voice and in the moment planning task couples with Internet Safety Day and issues our pupils have faced online. It will be available for parents to listen to and I look forward to you sitting with your child and listening to its content after half term. Who knows, maybe we've found a future podcast star!

Our ethical citizens have also debated and written their opinions on accepting refugees to Britain, where many misconceptions were addressed. Pupils engaged well and learnt the importance of identifying 'fake news' and following the facts. This half term, pupils have honed their multiplication and division skills and have used their numeracy skills to evaluate data relating to world religions. Our enterprising, creative contributors have enjoyed our weekly ukulele sessions with Mr. Wells. It's truly been fantastic seeing their chords improve this year and they have strummed along to their favourite songs 'Riptide' and 'Yma o Hyd'.

It's been a busy half term celebrating Dydd Miwsig Cymru, during which we analysed the data on Welsh chart toppers; World Hijab Day, during which pupils learnt the meaning of wearing a Hijab; Children's Mental Health Week, during which pupils made their own positive mental health plan; and Internet Safety Week, during which we learnt how to identify scammers. As always, thank you for your support!
